

SCORING GUIDE FOR THE SCORPIO RACES DOUBLE ENTRY DIARIES (DEDS)

Each DED response is worth 8 points. For a breakdown of the requirements and the points assigned to each, see the scoring guide below.

REQUIREMENT	POINTS	REQUIREMENT EXPLAINED
LEFT-HAND COLUMN - TEXT EVIDENCE		
Chapter Number and Character	1	The entry includes the chapter number and the name of the chapter's narrator (Sean or Puck)
Text Evidence (TE)	1	A passage of text as evidence for the reader's response. If the passage is long the reader may use the ellipsis (...) to show that parts of the passage were eliminated
Page Number for TE	1	The page or pages on which the passage was found is noted
RIGHT-HAND COLUMN - READER RESPONSE		
Strategy	1	Entry names the strategy the reader is using to make meaning from the text (Strategies are Visualize, Evaluate, Monitor, Question, Understand Language, Infer, Summarize, Predict, and Personalize (or connect))
Reader Response	4	The response includes at least three sentences. Sentences express in detail the thinking of the reader, including what the reader is thinking and why he/she thinks it. In other words, the response provides insight about the reader's understanding of the chapter using one of the VEM-QUISPP active reading strategies. The text evidence, strategy and response show unity. That is, each supports the other.
